

Welcome to Foster's Grille!

There is a reason why the people of Southwest Florida vote us **"Best Burger" year after year!**

Our founder, Shawn Foster, wanted to recreate the feeling of those family cookouts and bring it to neighborhoods all over America. Shawn, a highly regarded chef, created a menu where there's always something delicious for everyone, and made sure that even though our burgers are "Too Big for Two Hands" the check never is.

Our family-friendly neighborhood grille is the perfect place to hang out with your family and friends and enjoy our *award-winning* **"TOO BIG FOR TWO HANDS" FRESH 1/2 LB. CHARBURGER** served with specially seasoned HAND-CUT FRIES.

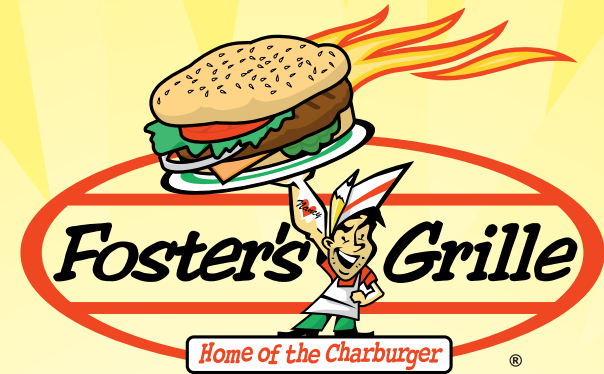

Our grilles are fired up and those burgers are sizzlin'. There's a smoky aroma everywhere and you're lovin' the taste of that fresh grilled flavor. You just can't get enough.

Or you might want to try our authentic buffalo-style WINGS, grilled CHICKEN sandwiches, juicy HOT DOGS, or fresh SALADS. A side of beer-battered ONION RINGS complement any meal, along with our extra-thick MILKSHAKES, freshly-squeezed LEMONADE, and homemade CAKES and COOKIES. Let's not forget about our great DAILY SPECIALS! All are made from the freshest ingredients.

Our made to order food is served up *fast and friendly*, and we offer something for everyone.

That's what Foster's Grille is all about. When you bite into the biggest, juiciest burger in town, you'll understand why our customers keep coming back for more.

Dining
for
Dollars

\$ FUNdraising at its best \$

Here's How It Works:

1. Pick a date for your event. Dining for Dollars can be held on Sunday nights, Mondays and Tuesdays, between a designated timeframe, like 5pm-8pm.
2. We provide a poster/flyer to print and promote your event. As soon as your event is scheduled, you should start advertising.
3. We provide the "vouchers" to hand out to attendees before the event date.
Every paying person in your group should bring the voucher with them to present to the cashier when they pay.
4. Your group comes to Foster's Grille during the scheduled event time for a fun time and great food. It's an awesome opportunity to enjoy time together!
5. Following the event, we tally the sales generated by your group and give back 20% of the sales as a contribution.

It's that easy! Schedule an event now!

About the Vouchers: The vouchers need to be presented to our cashier upon ordering so you get credit for the sale. The cashier attaches a receipt to the voucher. At the end of the event, we tally up sales receipts with vouchers attached to get a total for your event.

To avoid confusion with our regular customers, we respectfully ask that you do not distribute vouchers to them during the event. We appreciate your cooperation!
